Description :

PDF-0222b | The taxonomy and systematics of European reptiles and amphibians have changed a lot in recent years, yet there is no modern, up-to-date field guide available that comprehensively covers all the species. The last illustrated field guide to European reptiles and amphibians was first published 38 years ago, and remains outdated despite occasional reprints and new editions. This major new field guide ... *Field Guide to the Amphibians and Reptiles of Britain and Europe (Helm Field Guides)*
