Description :

PDF-f3102 | Humans have always been fascinated by marine life, from extremely small diatoms to the largest mammal that inhabits our planet, the blue whale. However, studying marine life in the ocean is an extremely difficult proposition because an ocean environment is not only vast but also opaque to most instruments and can be a hostile environment in which to perform experiments and research. The use of aco... *Principles of Marine Bioacoustics (Modern Acoustics and Signal Processing)*
